## THE POWER OF HEALING PRAYER

Overcoming Emotional and Psychological Blocks

Richard McAlear, O.M.I.

With decades of service in the healing ministry as both a teacher and one called upon to pray for healing, Fr Richard McAlear OMI has a different approach that recognises—even embraces—the complex nature of illness.

Illness comes in many forms, and too often we're told to ignore it, hide it, or simply to run away from it.

Explore the healing power of faith as it mends your whole self—mind, body and spirit—regardless of your pain, background or personal baggage.
